Dear Mr. Nolan:

It is with great pleasure that I second the nomination of Kimberly E Brzezinski for membership in the American College of Real Estate Lawyers made by David J. Meyers.

I have encountered Kim in a variety of capacities and found her to be an excellent real estate practitioner committed to giving back to the real estate bar. I have worked with Kim on a number of transactions, primarily during her tenure as the Examiner of Titles in St. Louis County. In addition, I have both presented with and attended a number of CLE sessions with Kim. I am happy to confirm both her professionalism and her knowledge have been regularly demonstrated throughout.

In addition to her practice, Kim has been actively involved in the Minnesota State Bar Association through its Real Property Section. She is actively involved with the Real Property Certification Council and the Real Property Section Council. She previously also served on the Legislative Committee and on the Title Standards Committee. I have found her thoughtful and insightful contributions to lead to better products for our section members throughout the years we have worked together in these capacities.

In my opinion, based on my knowledge of Kim, she will make a wonderful member of ACREL and will continue to participate at the highest level on behalf of the organization, as well as in her own business.

Thank you.

Sincerely,

Nancy K. Landmark
