RE: Nomination of Jeffrey Dollinger

Dear Mr. Nolan:

It is my honor to present the nomination of Jeffery Dollinger for membership to the American College of Real Estate Lawyers. He is an excellent nominee who exceeds the College's criteria for membership.

I have known Jeff for over 15 years and had the opportunity to work with him on a variety of situations. Jeff has been retained by my company to handle numerous title claims, and in that capacity, we have collaborated on many of the more difficult and complex issues we have asked him to handle.

Jeff is an excellent presenter, often professorial, given his long commitment to academia. His research and preparation on issues is legendary. I have enjoyed many CLE presentations by Jeff and co-presented with him on Florida's Marketable Record Title Act for the Florida Land Title Association's Claims Round Table.

I have also had the pleasure of working with Jeff on real property related legislation through our participation in the Real Property, Probate and Trust Law Section of the Florida Bar, where he always adds value to the discussion.

I hope that this brief overview of Jeff and his accomplishments properly highlights his significant give back to the profession. He is a dedicated contributor to the betterment of the practice and his full resume more completely demonstrates.
