John M. Nolan
Chair, Member Selection Committee
c/o American College of Real Estate Lawyers
220 N Market Street, Suite 100
Frederick, MD 21701

Dear Mr. Nolan:

It is with great pleasure that I second the nomination of David Weisman for membership in the American College of Real Estate Lawyers made by Adele I. Stone.

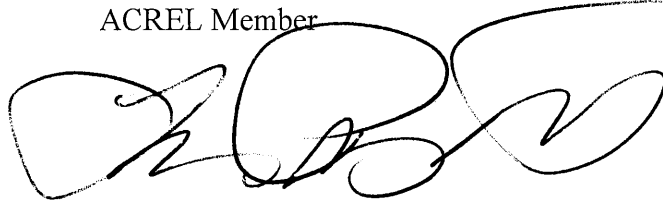

Over the past twenty years, in my role as his Underwriter for issuing title insurance, I've had the chance to work with David on various commercial and residential real estate deals. David is an exceptional and skilled expert in real estate and dedicates his time and energy to educating both legal professionals and the public. I have witnessed him contribute as an author and a regular speaker for The Florida Bar and American Bar Associations, discussing topics such as real estate transactions, leases, and contracts. His involvement with the Florida Bar includes assisting in the drafting of legislative changes and participating in the assessment and accreditation of real estate specialists. In 2019, he took on the role of Adjunct Professor at Nova Southeastern University's Huizenga College of Business, where he teaches courses on Real Estate Law and Ethics in their Master of Science in Real Estate Development program.

I have received and reviewed the Proposal for Membership submitted by Adele and certify that David Weisman satisfies the criteria for selection to the College as set forth in Section 4 of the Guidelines for Regular Member Selection. In my opinion and to my knowledge, the Nominee satisfies ACREL's Statement of Professionalism and exemplifies the standards of professional integrity and civility as provided in the Guidelines. I am not (a) in the same firm, business entity, faculty or other organization as the Nominee, (b) related by birth or marriage to the Nominee, or (c) a current Governor or member of the Member Selection Committee of the College. Except as disclosed below, neither the nominee nor his/her employer regularly employs or retains me or my law firm or employer, and my business relationship, if any, with the nominee is as follows: David and his firm, Greenspoon Marder, are agents of First American for the limited purpose of issuing

title insurance commitments and policies, but this limited business relationship has not influenced this recommendation in any way.

In summary, I strongly recommend the nomination of David Weisman for membership. In addition to David's significant professional qualifications and contributions that qualify him as a distinguished practitioner over his forty-year career, I know David to be an outstanding person who would be an incredible addition to the College.

Yours truly,
ACREL Member
